## Book File Details:

*Review: Im not always in agreement with Marianis assessments of different restaurants and personalities, but theres no denying that he spins an engaging tale with a lot of insight into how Italian cuisine spread from Italy to far flung locales (most notably America, which comprises most of the book). Unless youre Italian and a chef and already thoroughly...*

*Description: Not so long ago, Italian food was regarded as a poor mans gruel-little more than pizza, macaroni with sauce, and red wines in a box. Here, John Mariani shows how the Italian immigrants to America created, through perseverance and sheer necessity, an Italian-American food culture, and how it became a global obsession. The book begins with the Greek,...*
